

In closing, I note as per your website that HWL Ebsworth describes itself as “not your typical law firm”. I would agree, because typically, law firms pay their accounts when they fall due.

With that in mind, we can do this the easy way, or we can do it the hard way. I have kidnapped the fish from the reception area of your Brisbane office. You have 24 hours. Do not attempt to contact the police, or they will be eaten.

Show me the money, Perry.

Yours sincerely,

PS. There's still a week left on our Pozible fundraiser... yes... I intend to keep milking this old cow until at least then.
