Looking for love

## Medium Female Mixed Breed Dog

Hello I'm Sahri and if you're looking for the gentlest dog both my foster mums and their friends have ever met, then I'd love for you too come and meet me! I can sit and I'm learning to shake but there is a chance I'll need to be separated from other pets at dinner time but only because of how fast I can finish a meal and my inability to not help my siblings finish faster! I'd love for you to come and meet me and see my beautiful brindle coat and soft gentle eyes in person! To meet Sahri, please fil...

I lost faith in people due to how they treated me, I became very fearful and scared. I was rescued and placed into training, I have grown so very much in training. I trust again and almost smile now. I now need someone to help me in my next journey. That journey is a home of my own. I would need someone to help guide me, love me, give me direction in what I can or can't do.
